On **March 6th, 2008**, NARAL Pro-Choice New York will host "**Universal Health Care: Will Women's Needs Be Met?**" an event on universal health care and its implications on women's health. The event will cover the advocacy, policy, and legislative aspects of achieving health care access for all New Yorkers. The following speakers will present:

Byllye Avery,

Founder of the Black Women's Health Imperative and President of the Avery Institute for Social Change

Elisabeth Benjamin,

Director of Healthcare Restructuring Initiatives for Community Service Society

Richard N. Gottfried,

Chair of the New York State Commission on Health in the New York State Assembly

Lois Uttley,

Co-Coordinator of Raising Women's Voices for the Health Care We Need

The event is designed to address the questions and concerns of all New York women. All are welcome and encouraged to attend this unique event.
